Provider of Last Resort (POLR) Large Non-Residential Service (> = One Megawatt)

This Standard Terms of Service applies to Large Non-Residential customers receiving Provider of Last Resort (POLR) service from pursuant to Public Utility Commission of Texas (PUCT) Retail Electric Provider (REP) Certificate No. _____. These Standard Terms of Service are subject to changes in applicable charges and or transmission and distribution utility (TDU) rates. Each Standard Terms of Service will be given a unique version number for quick reference.

1. PRICE FOR BASIC FIRM SERVICE.

Your Large Service Provider (LSP) is a Provider of Last Resort designated by the Public Utility Commission of Texas and will provide POLR Service. Your LSP will provide basic firm service, defined as electric service not subject to interruption for economic reasons and that does not include value-added options offered in the competitive market.

The price for your electric service from LSP will be derived from the following formula:

$$\text{LSP rate (in \$ per kWh)} = (\text{Non-bypassable charges} + \text{LSP customer charge} + \text{LSP demand charge} + \text{LSP energy charge}) / \text{kWh used}$$

Where:

- (i) Non-bypassable charges shall be all TDU and other non-bypassable charges and credits for the appropriate customer class in the applicable service territory, including ERCOT administrative charges, nodal fees or surcharges, Reliability Unit Commitment (RUC) capacity short charges attributable to LSP load, and applicable taxes from various taxing or regulatory authorities, multiplied by the level of kWh and kW used, where appropriate.
- (ii) LSP customer charge shall be \$2,897.00 per month.
- (iii) LSP demand charge shall be \$6.00 per kW, per month.
- (iv) LSP energy charge shall be the appropriate Real-Time Settlement Point Prices (RTSPPs), determined on the basis of 15-minute intervals, for the customer multiplied by 125%, multiplied by the level of kWh used. The RTSPP shall have a floor of \$7.25 per MWh.

Non-recurring charges will be billed as they are incurred and are set out in section 3 **SERVICE CHARGES AND FEES** below.

2. SECURITY

LSP has no obligation to continue to serve you if you fail to pay the required cash deposit within the appropriate time frame.

CASH DEPOSIT

You will be billed monthly for your electric service after the scheduled monthly meter read date. The monthly billing period will be approximately 30 calendar days. Your bill will be due upon receipt and will be considered delinquent if it is not paid by the sixteenth (16th) day after issuance of the bill. The late payment fee (5%) will be assessed on the seventeenth (17th) day after the bill issuance for all unpaid balances. Disconnection of service may result upon non-payment of a bill pursuant to section 4 **DISCONNECTION OF SERVICE**.

- 1) You may be required to make a cash deposit or other credit arrangement. If your service is initiated with LSP, you will be required to pay a cash deposit or letter of credit after LSP receives confirmation from the Registration Agent of the effective date you are to become a customer of LSP. Cash deposits required for POLR service shall be no higher than the estimated billing for a three-month period, including, where applicable, customer and non-bypassable charges, and energy and demand charges determined based on your three highest months of usage and demand during the most recent 12-month period.
- 2) If 12 months of historical usage data is not available, LSP in its sole judgment may develop reasonable good faith estimates to determine your cash deposit amount. Estimates will be based on key energy determinants and electric equipment, including, but not limited to: square footage, HVAC type and size, type of business, hours of operation, standard industry load factor assumptions, etc. Other non-discriminatory methods of determining creditworthiness may be used.
- 3) You may also be required, in the future, to pay an additional cash deposit if you have been issued a disconnection notice or if you have been a customer for three months and you have used more than the amount estimated to determine your initial cash deposit.
- 4) You will accrue interest on your deposit with LSP. Each year in December, the PUCT establishes the interest rate the LSP will apply to your cash deposit for the next calendar year.
- 5) You may satisfy security requirements by providing LSP with a surety bond or an irrevocable letter of credit in the amount of the required cash deposit. The surety bond must be approved by the LSP. The required security must be provided within three calendar days after a notice is issued to you requesting a cash deposit.
- 6) If not previously returned to you, your cash deposit and accrued interest, less any outstanding balance owed for electric service, will be refunded to you upon closing of your account with LSP.
- 7) If your service is terminated prior to the regularly scheduled meter read date, the energy usage for the final bills may be calculated using the out-of-cycle meter readings and will include all charges defined in section 1. **Price for Basic Firm Service.**
- 8) LSP may require payment of the cash deposit within three calendar days of receiving confirmation from the Registration Agent of the effective date you become a customer of the LSP.
- 9) Your service may be disconnected if you fail to pay the required cash deposit within three calendar days of issuance of a notice of disconnection of service.

3. SERVICE CHARGES AND FEES

You will be subject to the following charges and fees in addition to the rates for service prescribed in section 1 **PRICE FOR BASIC FIRM SERVICE.** These fees will be billed for each premise. "Premise" herein shall mean the designated property or facilities and associated metered account identified by an Electric Service Identifier Number (ESI ID), which is a unique and permanent identifier assigned to each service point.

You must pay non-recurring fees charged by the transmission and distribution utility (TDU) that are necessary to implement and/or maintain electric service for you. Non-recurring fees by the TDU may include service connection, disconnection or reconnection fees, or meter test fees. Non-recurring fees will appear as line items on your bill.

You must to pay all applicable taxes and any fees charged by any governmental entity.

You must pay any other REP fees disclosed [on the EFL or below and referenced on the EFL]. {Instruction: REP's fees must be the same as those fees routinely applied to other Large Non-Residential customers}
