

Figure: 40 TAC §746.1015

Education	Experience
(1) A bachelor's degree with 12 college credit hours in child development and six college credit hours in management,	and at least one year of experience in a licensed child-care center;
(2) An associate's of applied science degree in child development or a closely related field with six college credit hours in child development and six college credit hours in management. A "closely related field" is any educational instruction pertaining to the growth, development, physical or mental care, or education of children ages birth through 13 years,	and at least two years of experience in a licensed child-care center;
(3) Sixty college credit hours with nine college credit hours in child development and six college credit hours in management,	and at least two years of experience in a licensed child-care center;
(4) A child-care administrator's certificate from a community college with at least 15 college credit hours in child development and three college credit hours in management,	and at least two years of experience in a licensed child-care center;
(5) A Child Development Associate credential or Certified Child-Care Professional credential with six college credit hours in management,	and at least two years of experience in a licensed child-care center;
(6) A day-care administrator's credential issued by a professional organization or educational institution and approved by Licensing based on criteria specified in Subchapter P of Chapter 745 of this title, (relating to Day-Care Administrator's Credential Program),	and at least two years of experience in a licensed child-care center; or
(7) Nine college credit hours in child development and nine college credit hours in management,	and at least three years of experience in a licensed child-care center.
