Appendix C3: Boil Water Notice Rescinded

<Date>

On **<See Instruction 1>**, the Texas Commission on Environmental Quality required the **<See Instruction 2>** public water system, **<See Instruction 3>**, to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

If you have questions concerning this matter, you may contact **<See Instruction 5>** at **<See Instruction 6>**.
