Type of Enforcement Action/Specific Action	Description of Enforcement Action
(1) Voluntary Action/Plan of Action	A voluntary plan of action is a collaborative effort between Licensing and your operation. We will work with you to develop a plan to help you improve your operation's compliance with minimum standards and to reduce risk. We will inspect your operation more frequently to evaluate compliance with minimum standards.
(2) Corrective Action/Probation	If we place you on probation, then we will impose a corrective action plan. We will impose conditions beyond the minimum standards and the basic permit requirements in order to help you improve your operation's compliance with identified standards so that your operation is no longer deficient and you reduce risk at your operation. We will inspect your operation at least monthly to evaluate compliance with standards and conditions imposed as part of the corrective action plan.
