### OTHER TERMS AND CONDITIONS

**[Sum of the periodic balances method and scheduled installment earnings method:]** HOW YOU CALCULATE MY FINANCE CHARGE REFUND IF I PREPAY If I prepay in full, I may be entitled to a refund of part of the Finance Charge. **[Sum of the periodic balances method:]** You will figure the Finance Charge refund by using the sum of the periodic balances method as defined by the Texas Finance Commission rule. (Optional: You will figure the Finance Charge refund using the sum of the periodic balances method as defined by the Texas Finance Commission rule. The Finance Charge Refund will be computed upon the entire Finance Charge minus the Acquisition Cost. I will not get a refund if it is less than \$1.00.) (Additional Option for heavy commercial vehicle: You will figure the Finance Charge refund using the sum of the periodic balances method as defined by the Texas Finance Commission rule. The Finance Charge refund will be computed based upon the entire Finance Charge calculated using the sum of the periodic balances method. Then you will subtract the Acquisition Cost from that amount. I will not get a refund if it is less than \$1.00.) **[Scheduled installment earnings method:]** You will figure the Finance Charge refund by the scheduled installment earnings method as defined by the Texas Finance Commission rule. (Optional: You will figure my refund by deducting earned finance charges from the Finance Charge. You will figure earned finance charges by applying a daily rate to the unpaid principal balance as if I paid all my payments on the date due. If I prepay between payment due dates, you will figure earned finance charges for the partial payment period. You do this by counting the number of days from the due date of the prior payment through the date I prepay. You then multiply that number of days times the daily rate. The daily rate is 1/365th of the Annual Percentage Rate. You will also add the acquisition cost of \$25 (or \$150 for a heavy commercial vehicle) to the earned finance charge. I will not get a refund if it is less than \$1.00.) **[Flexible contract forms designed to accommodate alternative methods:]** You will figure the Finance Charge refund using the sum of the periodic balances method as defined by the Texas Finance Commission rule if: this contract is a Regular Payment Contract as defined by the Texas Finance Commission rule, and this contract does not have a term greater than 61 months. If this contract is not a Regular Payment Contract or if it has a term greater than 61 months, you will figure the Finance Charge refund using the scheduled installment earnings method as defined by the Texas Finance Commission rule. I will not get a refund if it is less than \$1.00.

**HOW YOU WILL APPLY MY PAYMENTS** **[True daily earnings method:]** You will apply my payments in the following order:

1. earned but unpaid finance charge; and
2. anything else I owe under this agreement.

**HOW LATE OR EARLY PAYMENTS CHANGE WHAT I MUST PAY** [**True daily earnings method:**] You based the Finance Charge, Total of Payments, and Total Sale Price as if all payments were made as scheduled. If I do not timely make all my payments in at least the correct amount, I will have to pay more Finance Charge and my last payment will be more than my final scheduled payment. If I make scheduled payments early, my Finance Charge will be reduced (less). If I make my scheduled payments late, my Finance Charge will increase.

**INTEREST AFTER MATURITY** If I don't pay all I owe when the final payment becomes due, or I do not pay all I owe if you demand payment in full under this contract, I will pay an interest charge on the amount that is still unpaid. That interest charge will be the higher rate of 18% per year or the maximum rate allowed by law, if that rate is higher. The interest charge for this amount will begin the day after the final payment becomes due.

**SPECIAL PROVISIONS FOR BALLOON PAYMENT CONTRACTS** A balloon payment is a scheduled payment more than twice the amount of the average of my scheduled payments, other than the downpayment, that are due before the balloon payment.

**(Paying the balloon payment under Texas Finance Code §348.123(a))** I can pay all I owe when the balloon payment is due and keep my motor vehicle.

**(Option A: Refinancing the balloon payment)** If I buy the motor vehicle primarily for personal, family, or household use, I can enter into a new written agreement to refinance the balloon payment when due without a refinancing fee. If I refinance the balloon payment, my periodic payments will not be larger or more often than the payments in this contract. The annual percentage rate in the new agreement will not be more than the Annual Percentage Rate in this contract. This provision does not apply if my Payment Schedule has been adjusted to my seasonal or irregular income.

**(Option B: Special right to refinance balloon payment under Texas Finance Code §348.123(b)(5)(b)(iii))** I can enter into a new agreement to refinance my last installment if I am not in default. I can refinance at an annual percentage rate up to 5 points greater than the Annual Percentage Rate shown in this contract. The rate will not be more than applicable law allows. The new agreement will allow me to refinance the last installment for at least 24 months with equal monthly payments. You and I can also agree to refinance the last installment over another time period or on a different payment schedule.

**AGREEMENT TO KEEP MOTOR VEHICLE INSURED** I agree to have physical damage insurance covering loss or damage to the vehicle for the term of this contract. The insurance must cover your interest in the vehicle. (Optional Language Provision: The insurance must include collision coverage and either comprehensive or fire, theft, and combined additional coverage.)

**YOUR RIGHT TO PURCHASE REQUIRED INSURANCE IF I FAIL TO KEEP THE MOTOR VEHICLE INSURED** If I fail to give you proof that I have insurance, you may buy physical damage insurance. You may buy insurance that covers my interest and your interest in the motor vehicle, or you may buy insurance that covers your interest only. I will pay the premium for the insurance and a finance charge at the contract rate. If you obtain collateral protection insurance, you will mail notice to my last known address shown in your file.

**PHYSICAL DAMAGE INSURANCE PROCEEDS** I must use physical damage insurance proceeds to repair the motor vehicle, unless you agree otherwise in writing. However, if the motor vehicle is a total loss, I must use the insurance proceeds to pay what I owe you. I agree that you can use any proceeds from insurance to repair the motor vehicle, or you may reduce what I owe under this contract. If you apply insurance proceeds to the amount I owe, they will be applied to my payments in the reverse order of when they are due. If my insurance on the motor vehicle or credit insurance doesn't pay all I owe, I must pay what is still owed. Once all amounts owed under this contract are paid, any remaining proceeds will be paid to me.

**RETURNED INSURANCE PREMIUMS AND SERVICE CONTRACT CHARGES** [**True daily earnings method:**] If you get a refund on insurance or service contracts, or other contracts included in the cash price, you will subtract it from what I owe. Once all amounts owed under this contract are paid, any remaining refunds will be paid to me. [**Scheduled installment earnings method or sum of the periodic balances:**] If you get a refund of insurance or service contract charges, you will apply it and the unearned finance charges on it in the reverse order of the payments to as many of my payments as it will cover. Once all amounts owed under this contract are paid, any remaining refunds will be paid to me.

**APPLICATION OF CREDITS** Any credit that reduces my debt will apply to my payments in the reverse order of when they are due, unless you decide to apply it to another part of my debt. The amount of the credit and all finance charge or interest on the credit will be applied to my payments in the reverse order of my payments.

**TRANSFER OF RIGHTS** You may transfer this contract to another person. That person will then have all your rights, privileges, and remedies.

**SECURITY INTEREST** To secure all I owe on this contract and all my promises in it, I give you a security interest in:

- the motor vehicle including all accessories and parts now or later attached (Optional: and any other goods financed in this contract);
- all insurance proceeds and other proceeds received for the motor vehicle;
- any insurance policy, service contract or other contract financed by you and any proceeds of those contracts; and
- any refunds of charges included in this contract for insurance, or service contracts.

This security interest also secures any extension or modification of this contract. The certificate of title must show your security interest in the motor vehicle.

**USE AND TRANSFER OF THE MOTOR VEHICLE** I will not sell or transfer the motor vehicle without your written permission. If I do sell or transfer the motor vehicle, this will not release me from my obligations under this contract, and you may charge me a transfer of equity fee of \$25 (\$50 for a heavy commercial vehicle). I will promptly tell you in writing if I change my address or the address where I keep the motor vehicle. I will not remove the motor vehicle (Optional: motor vehicle or other collateral) from Texas for more than 30 days unless I first get your written permission.

**CARE OF THE MOTOR VEHICLE** I agree to keep the motor vehicle free from all liens and claims except those that secure this contract. I will timely pay all taxes, fines, or charges pertaining to the motor vehicle. I will keep the motor vehicle in good repair. I will not allow the motor vehicle to be seized or placed in jeopardy or use it illegally. I must pay all I owe even if the motor vehicle is lost, damaged or destroyed. If a third party takes a lien or claim against or possession of the motor vehicle, you may pay the third party any cost required to free the motor vehicle from all liens or claims. You may immediately demand that I pay you the amount paid to the third party for the motor vehicle. If I do not pay this amount, you may repossess the motor vehicle and add that amount to the amount I owe. If you do not repossess the motor vehicle, you may still demand that I pay you, but you cannot compute a finance charge on this amount.

**DEFAULT** I will be in default if:

- I do not pay any amount when it is due;
- I break any of my promises in this agreement;
- I allow a judgment to be entered against me or the collateral; or
- I file bankruptcy, bankruptcy is filed against me, or the motor vehicle becomes involved in a bankruptcy.

If I default, you can exercise your rights under this contract and your other rights under the law.

**LATE CHARGE** I will pay you a late charge as agreed to in this contract when it accrues.

**REPOSSESSION** If I default, you may repossess the motor vehicle from me if you do so peacefully. If any personal items are in the motor vehicle, you can store them for me and give me written notice at my last address shown on your records within 15 days of discovering that you have my personal items. If I do not ask for these items back within 31 days from the day you mail or deliver the notice to me, you may dispose of them as applicable law allows. Any accessory, equipment, or replacement part stays with the motor vehicle.

**MY RIGHT TO REDEEM** If you take my motor vehicle, you will tell me how much I have to pay to get it back. If I do not pay you to get the motor vehicle back, you can sell it or take other action allowed by law. My right to redeem ends when the motor vehicle is sold or you have entered into a contract for sale or accepted the collateral as full or partial satisfaction of a contract.

**DISPOSITION OF THE MOTOR VEHICLE** If I don't pay you to get the motor vehicle back, you can sell it or take other action allowed by law. You will send me notice at least 10 days before you sell it. You can use the money you get from selling it to pay allowed expenses and to reduce the amount I owe. Allowed expenses are expenses you pay as a direct result of taking the motor vehicle, holding it, preparing it for sale, and selling it. If any money is left, you will pay it to me unless you must pay it to someone else. If the money from the sale is not enough to pay all I owe, I must pay the rest of what I owe you plus interest. If you take or sell the motor vehicle, I will give you the certificate of title and any other document required by state law to record transfer of title.

**COLLECTION COSTS** If you hire an attorney who is not your employee to enforce this contract, I will pay reasonable attorney's fees and court costs as the applicable law allows.

**CANCELLATION OF OPTIONAL INSURANCE, DEBT CANCELLATION AGREEMENT, AND SERVICE CONTRACTS** This contract may contain charges for insurance, debt cancellation agreement, service contracts, or for services included in the cash price. If I default, I agree that you can claim benefits under these contracts to the extent allowable, and terminate them to obtain refunds of unearned charges to reduce what I owe or repair the motor vehicle.

**YOUR RIGHT TO DEMAND PAYMENT IN FULL** If I default, or you believe in good faith that I am not going to keep any of my promises, you can demand that I immediately pay all that I owe. You don't have to give me notice that you are demanding or intend to demand immediate payment of all that I owe.

**IF YOU DEMAND I PAY ALL I OWE** [Sum of the periodic balances method or scheduled installment earnings method:] If you demand that I pay you all that I owe, you will give me a credit of part of the Finance Charge as if I had prepaid in full.

**SEVERABILITY CLAUSE** If any part of this contract is not valid, all other parts stay valid.

**LEGAL LIMITATIONS ON YOUR RIGHTS** If you don't enforce your rights every time, you can still enforce them later. You will exercise all of your rights in a lawful way. I don't have to pay finance charge or other amounts that are more than the law allows. This provision prevails over all other parts of this contract and over all your other acts.

**APPLICABLE LAW** Federal law and Texas law apply to this contract.

**SELLER'S DISCLAIMER OF WARRANTIES** Unless the seller makes a written warranty, or enters into a service contract within 90 days from the date of this contract, the seller makes no warranties, express or implied, on the motor vehicle, and there will be no implied warranties of merchantability or of fitness for a particular purpose. This provision does not affect any warranties covering the motor vehicle that the motor vehicle manufacturer may provide.

**NOTICE: ANY HOLDER OF THIS CONSUMER CREDIT CONTRACT IS SUBJECT TO ALL CLAIMS AND DEFENSES WHICH THE DEBTOR COULD ASSERT AGAINST THE SELLER OF GOODS OR SERVICES OBTAINED PURSUANT HERETO OR WITH THE PROCEEDS HEREOF. RECOVERY HEREUNDER BY THE DEBTOR SHALL NOT EXCEED AMOUNTS PAID BY THE DEBTOR HEREUNDER. (This provision applies to this contract only if the motor vehicle financed in the contract was purchased for personal, family, or household use.)**

**The rates of this contract are negotiable. The seller may assign or otherwise sell this contract and receive a discount or other payment for the difference between the rate, charges, or balance.**
